Hello -

Look no more, this is exactly what we're looking for... I spoke with Nan who is a very nice lady and she informed me that they supply Long Beach with all of their transit signage AND she will also send us a sample. I especially like this company because we can powder coat our frames in any color and I think Red would be great to match our trolleys.....

Here are the product sheets showing different options for the RCHs and Transit tubes.

Price for the RCHs is from \$75-\$125 depending on size and quantity.

If you would like me to send you a sample, let me know.

Thanks.
